Agent Licence Conditions **Business Safeguards**

All licences granted by Rent Smart Wales are issued with a set of licence conditions that the licensee will need to adhere to throughout the term of the licence.

The standard sets of licence conditions that are used as a framework to determine which licence conditions should be added to each licence can be found on the resources page of the Rent Smart Wales website

All licences issued to agents will have the 'Business Safeguard' licence condition unless an exemption has been granted by Rent Smart Wales.

The 'Business Safeguard' licence condition is a requirement that ALL agents licensed with Rent Smart Wales will need to obtain and maintain throughout the period of their licence:

- O Client Money Protection (where client money is handled),
- O Professional Indemnity Insurance (the level of cover based on portfolio size), and
- O Membership to an Independent Letting and Management Redress Scheme (as accepted by Rent Smart Wales).

There are a number of exemptions to this requirement that can be applied for, which are detailed on the following page.

Please contact Rent Smart Wales if you think you are entitled to apply for an exemption.

Please be aware that exemptions and requirements may have changed since your last licence application.

Rent Smart Wales reserve the right to refuse an application for an exemption of the business safeguard licence condition at any time before, during or on renewal of the licence term. Any exemption granted will be reviewed upon any change of circumstances, which may result in the requirement to obtain the business safeguards being re- instated.

It is an offence to provide information to Rent Smart Wales (the single licensing authority) that is false or misleading and which you know is false or misleading or *you are* reckless as to whether it is false or misleading.
